

Parrot Heads In Natural Settings Annual Benefit Golf Tournament

Golfers with Family & Friends
for a Weekend of Fun!

PHINS is pleased to host the 17th
annual benefit golf tournament.

Proceeds from this tournament will
benefit Community PedsCare. Through
this annual, fun-filled tournament, our
sponsors, donors and players have enabled
us to give over \$86,000 in the last 10
years to this vital program. Thank you!

Community PedsCare is a pediatric
palliative and hospice program for
children with life-threatening conditions.
A program of Community Hospice of
Northeast Florida in collaboration with
Wolfson Children's Hospital, Nemours
Children's Clinic and University of Florida,
Community PedsCare is a team of
physicians, nurses, social workers, clergy
and volunteers that offers support,
comfort and care to these children and
their families. The majority of Community
PedsCare services are those which are not
reimbursed by insurance and are provided
without charge to patient families.
Families are never denied access because
of the inability to pay.

You can make a difference in the life of a
child by your participation in this annual
event.

Join us for some "Party with a Purpose"
fun for a very worthy cause!
